1. The advocate for the Complainants stated that they and their family members are the owners of the land on which the Respondent's project is in progress and that via development agreement dated May 21, 2012 they are entitled to an area share of 33% of the total constructible area, to be obtained from the Respondent.
2. The Complainants alleged that the Respondent has failed to list all the names of the Complainants as Promoter(Landowners) of the said project on the MahaRERA website as per the provisions of Real Estate (Regulation & Development) Act, 2016 (RERA).

He further said that the Respondent is willing to list all the family member's names of Promoter(Landowners), as given in the development agreement, in their MahaRERA registration webpage (presently only one name of the family is listed) as per the MahaRERA Circular No 12/2017 provided that the Complainants provide the requisite details for uploading on the MahaRERA website, which they have not provided till date. The Complainants accepted to provide the same.

Respondent is directed to upload such information on the MahaRERA website before the period ending January 15, 2018.
