Date:- 24/04/2017

To,

M/s.Loma IT Park Developers Pvt. Ltd.

Plot No. Gen. 4/1, Ghansoli,
TTC Industrial Area.,
Navi - Mumbai.

Sub:- Approval to Ammended Building plans for proposed IT & IT Support Residential Buildings on Plot No.Gen. 4/1, Ghansoli in TTC Indl. Area, Architect Mr. Niral Patel.

Ref:-Yours Application No. SWC/ 14/523/20170124/ 445078 Received on 24.01.2017 & complied on 20.04.2017

Dear Sir,

1) One set of ~~fresh plans/ revised plans / amended plans/ as built plans/ modified plans/ additions to previous plans~~, received from you, vide letter cited above is herby approved & retuned to you subject to following conditions.

2.1) You had submitted plans & drawings for plinth area of 9311.74 Sqm. over the plot area of 121405.692 Sqm.& at present this office has approved plans for upto date plinth area of 36437.35 Sqm.& upto date buit up area of 79810.32 Sq.m. submitted by you. This office has approved only 16 number of drawings, details of which are attached in accompanying statement.

2.2) In case of approval to the modified plans the original approval to the drawings, granted vide letter No. DE/MHP(C)/D08531 of 2014 dated.31.10.2014 for IT Support Services- Residential buildings from the office of the Deputy Engineer, MIDC, Sub - Division No. II, Mahape is treated as cancelled as the drawings approved now supersede the previously approved drawings. You are requested to return the above cancelled drawings to this record for cancellation.

2.3) As the drawings submitted are for new structures, which were not approved previously, present approval along with the previously approval plans/ Earlier B.C.C. issued vide letter No. DE/MHP(C)/D08531 of 2014 dated.31.10.2014 for IT buildings & No. DE/MHP(C)/SPA/IFMS/A24239 of 2016 dated 21.01.2016 from the office of the Deputy Engineer, MIDC, Sub - Division No. II, Mahape is to be treated as combined approval for buildings.

(Handwritten signature)

3) Overhead water storage tank having minimum capacity of 450 litres per W.C. & Urinal shall be provided & is a must. You have to make a provision of an overhead water tank of minimum capacity to meet requirement of 24 hrs water supply requirements.

4) Necessary approach road to the plot from the edge of MIDC road shall be provided with a cross drainage of pipe having minimum diameter of 900 mm. or a slab drain as per site condition & as approved by the Executive Engineer. Necessary approach as above shall be done before starting any main activities over the plot & shall be shown to the Executive Engineer, or Deputy Engineer or his authorized representative before starting the work on the plot.

5) The temporary structure shall not be allowed except during construction period for which prior approval from the Executive Engineer is a must & the same shall be demolished immediately within one month from the completion of the building construction as approved

6) During the period of construction, stacking of material required for the construction purpose shall be done only in the plot area allowed. In no case, materials are stacked along MIDC land road or open plot without the prior approval from the Executive Engineer.

7) The boundary mark demarcating the boundary of the plot shall be properly preserved & kept in good condition & shown to the department staff as & when required.

8) No tube well, bore well or open well shall be constructed by the plot holder without prior written permission.

9) The work of water supply & drainage shall be carried out through the licensed plumber only as per water supply regulations of the Executive Engineer, prior to construction.

10) Plan for any future addition, alterations & extensions, will have to be got approved from the Executive Engineer, as well as departments competent to do so.

11) The present approval to the plans does not pertain to approval to the structural design & R. C. C. chambers, foundations etc. It is only location approval to the structure with reference to the plot.

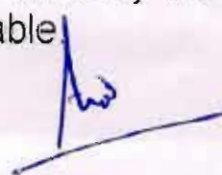

12) In case of power lines, if any passing through the plot, the holder shall approach M.S.E.D.C.L/M.S.E.T.C.L. & obtain a letter specifying the vertical & horizontal clearances to be left & plan his structure accordingly.

13) Wherever a compound wall & gate is constructed, the gate should open inside the plot & if the plot is facing on two or more sides of the road, then gates shall be located at least 15.00 m from the corner of junction of roads.

- 14) a) The waste effluent from the treatment work shall be connected a soak pit if sewer lines/ drainage collection systems are not available in the area.
- b) In case where sewerage to be let out or connected to drainage collection system of MIDC, is available & is functioning, the sewerage shall be connected to drainage manholes after getting prior approval from the Executive Engineer.
- c) Further effluent or sewerage to be let out or connected to drainage collection system of M.I.D.C. from the individual factory, shall be treated & brought to the standard laid by Maharashtra prevention of Water pollution Board of Government of Maharashtra, after obtaining their consent under section 28 of the Act & subsequently, "NO OBJECTION CERTIFICATE", from the same Department for connecting to the collection system.
- 15) The plot-holder has make his own arrangement for 24 hours storage of water, as the department cannot guarantee uninterrupted water supply.
- 16) In case, a water stream is flowing through the plot allotted to the plot holder, the plot holder has to ensure that the maximum quantity of rain water that flows at the point of stream is allowed to flow uninterrupted through the plot & upto the point of outflow of the original stream. The detailed plan, sections & designs for allowing maximum expected discharge of rain water through the plot has to be undertaken unless a written permission for the work proposed is undertaken from the Executive Engineer.
- 17) This permission stand cancelled if no construction work is started within 12 months from the date of completion must be informed to Executive Engineer, in charge immediately.
- 18) The breach of any of these stipulations shall render the plot holder liable for action as provided in MIDC Act, 1961(III of 1962) & Regulations made there under & also terms of lease & schedule of penalties, prescribed by the corporation for this purpose.
- 19) Department has got powers to add, amend, vary or rescind the provisions of Regulations from time, as it may deem fit & the plot holder has to abide by these rules & regulations.
- 20) As soon as the building work is completed, the plot holder has to inform the Executive Engineer. The work has to be got verified & obtained from the Executive Engineer.
- 21) The allottees are requested to inform the Deputy Engineer, concerned for checking up the layout of the building when the plinth of the building is completed & this is the must.
- 22) This approval is subject to permission of competent authority under urban Land (Ceiling & Regulations) Act of 1976, if applicable

5

23) The basement is provided is to be used only for storage purpose. No Manufacturing activities are allowed. Provision of toilet is not allowed at the basement.

24) The allottee within a period of one year from the of approval of the plans has to plant trees in open marginal space at the periphery of the plot at his own cost. The plantation shall be one tree for 100 Sqm. of plot area & one tree at a distance of 15.00m. on front edge of road or part thereof & when the trees so planted, shall be maintained in good condition through the term.

25) Allottees are requested to submit No Dues Certificate from Local Authority (NNMC) regarding property tax within 60 (Sixty) days from issue of date of approved of building plans. Failing of which, the approval of building plans issued shall be treated as revoked or cancelled without any further intimations, please note.

It is hereby requested to go carefully through the above conditions of this letter & followed it scrupulously.

Thanking you,

Yours faithfully,
