Occupancy Certificate will be granted only after all these arrangements are made to satisfaction of the SPA-NAINA.
46. The applicant shall not dispose off any plot, unless the infrastructural facilities mentioned in this certificate are actually provided.
47. In case of unavoidable circumstances, if the plot is intended to be sold or otherwise disposed off by the applicant, it shall be done by the applicant, subject to the conditions mentioned in this order. He shall invariably make specific mention about these conditions in the deed to be executed by him.
48. If the applicant does not make adequate arrangements for disposal of sullage and sewage before sale of the plots, he shall, through appropriate agreements, ensure that this obligation is cast upon the buyers of the plot or tenements.
49. NOC for clearing the septic tank is required to be obtained from the SPA-NAINA from time to time
50. The applicant shall observe all the rules in force regarding over head/under ground electric lines / transmission lines/utilities passing through the layout while designing the individual buildings and the same shall be specified at the time of submission for the approval of the SPA-NAINA.
51. No construction on sub-divided plots will be allowed unless internal road and gutters are constructed to the satisfaction of the SPA-NAINA.
52. The applicant while undertaking the development on land shall preserve, as far as practicable existing trees. Where trees are required to be felled, 2 trees shall be planted for every tree to be felled. Cutting / felling of trees shall be carried with prior approval of the Tree Authority concerned.

53. Every plot of land shall have at least 1 tree for every 100 sqm or part thereof, of the plot area. Where the number of existing trees in the plot is less than the above prescribed standard, additional number of new trees shall be planted.
54. Where the tree authority having jurisdiction in the area under development has prescribed standards or regulations in respect of preservation of trees under Maharashtra (Urban Area) Preservation of Trees Act, 1975, the same shall prevail.
55. The applicant shall get the approved layout demarcated on the site by the licensed Surveyors. The measurement plan shall be certified by the DySLR, concerned. The demarcation of approved layout on the site shall be carried out without altering the dimensions and area of the roads, open space or other reservations. The demarcated layout measurement plan certified by DySLR shall be submitted before applying for first plinth completion certificate.
56. In case of any discrepancies observed in the approved plans vis-a-vis the consolidated map issued by DySLR, which will affect the layout, buildings etc with respect to the requirement of DCRs or any conditions in the NOC's that are not submitted prior to this approval, but are required to be or will be submitted subsequently (such as Railways, Highways, CRZ, Electric Authorities for HT lines etc), the applicant shall have to accordingly amend the lay-out, locations of buildings etc and obtain fresh Commencement Certificate for the same from the SPA-NAINA and then only proceed with the construction activity.
57. The structural Design including the aspects pertaining to seismic activity, Building materials, Plumbing Services, Fire Protection, water supply, Electrical installation etc. shall be in accordance with the provisions prescribed in the National Building Code and/or Development Control Regulations, in force.
