Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Seawoods. Seawoods–Darave is a newly developed residential locality on the Harbour Line of the Mumbai Suburban Railway adjacent to the Nerul. The entry and exit subway of the west side of the station is directly connected to Seawoods Grand Central. The area derives its name from the famous Seawoods NRI complex developed by CIDCO for high income and economically rich groups. The area has developed rapidly in recent years, due to its strategic location, having Vashi, Mumbai & Thane in the north and Ulwe, Uran, JNPT & the upcoming international airport towards the south. Seawoods Grand Central by Larsen & Toubro has large office spaces, malls, and an entertainment area. The locality is known to be relatively safe and family friendly, with low crime rates making it an ideal locality for families.

Post Office	Police Station	Municipal Ward
Darave	Nerul Police Station	NA

Neighborhood & Surroundings

The locality is cosmopolitan with a healthy mix of people from different communities and professions.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.

Category	Score
Place	73
