# Residential Projects in MMR

## WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

## LOCATION

The project is in Andheri (East). Andheri is a locality in the western part of the city of Mumbai in India. Andheri is the major Bollywood Industry hub and it is the talent enclave of Mumbai, be it those from production houses, animation, the entertainment industry, and corporate. For administrative purposes, the area is separated into Andheri West and Andheri East. Andheri East comes under the K/E ward of BMC. A busy mix of residential homes and corporate offices, Andheri East is known for its fast-growing food scene, including unfussy lunch spots for Indian food and upmarket hotel restaurants

## PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
