Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Kandivali (East). Kandivali is a neighbourhood in the north Mumbai. It is an upmarket locality. Artifacts found near Kandivali indicate that the region was inhabited in the Stone Age. Kandivali east has emerged as a mid-segment residential location with a good mix of industrial and commercial developments.

LAND & APPROVALS

Legal Title Summary

The project has been constructed on leasehold land. The details of the lessor and the lease period are unclear from the title reports uploaded on the MahaRERA website. The project appears to be part of a redevelopment project that includes MHADA buildings. Therefore, it is likely that the land may belong to MHADA.

Encumbrances

The documents uploaded on the website claim the title of the land is clear and marketable, without any documented encumbrances.
