Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

BUILDER & CONSULTANTS

Established in 1978 under the leadership of Mr Subash Runwal and Mr Subodh Runwal, the Runwal Group is a real estate company with projects in the residential and commercial sectors. Over its four decades in the business, the company has cemented itself as one of India's premier developers with an extensive portfolio consisting of over 65 projects and 11 million square feet. The company's flagship retail project was the R City malls in Ghatkopar and Mulund. Presently the company is developing a 115-acre integrated township in Dombivali by the name of Runwal Gardens. Their residential portfolio has a mix of affordable housing and affordable luxury projects in Mumbai, Thane and Dombivli Kalyan.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
