## Residential Projects in MMR

## WE HELP YOU MAKE THE INVESTMENT

---

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

## LOCATION

The project is in Chembur (East). Chembur is an upmarket large suburb in Mumbai. Chembur is also said to be a reference to Chevul at the mouth of the Kundalika River on mainland Maharashtra. S V Patel Nagar, Gurudwara, Aggarwal Colony, Central Railway Colony, New Rna Colony are the neighbouring localities to Chembur East. After independence, Chembur was one of the sites where refugee camps were set up to settle refugees after partition. The industrialisation of Trombay during and after the war led to the demand for housing and the growth of Chembur thereafter. Famous studios like the RK studios built by the late Raj Kapoor were present in Chembur.

# BUILDER & CONSULTANTS

Established in 1975, under the leadership of Mr Ravi Puravankara, Puravankara Limited is a real estate company headquartered in Bengaluru. Considered to be one of India's leading real estate companies, in its four decades the company has established two distinct brands in real estate. Their flagship brand Puravankara caters to premium residences while its Provident Housing Ltd brand specialises in affordable housing. The company has a presence in several cities in India including Mumbai, Bengaluru, Chennai, Kochi, Coimbatore, Mangaluru, Kolkata, Pune and Goa. It also has international projects in GCC and Sri Lanka. The company was one of the first developers in India to secure FDI in real estate. This eventuated a JV with "Keppel Land", a Singapore Government development company, in 2005.

## PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
