Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Dadar (East). Dadar is an important commercial and residential hub of Mumbai. Railway stations in Dadar connect to both the Suburban Railway Line and the Indian Railway Line making it a transit point for thousands of commuters daily. It also houses important inter-state bus terminals and railways stations. Dadar is popular for its shopping centres and educational institutes. Five Gardens Park is a popular recreational park in the area. The area is cosmopolitan with a vibrant mix of Hindus, Parsis, and Muslims. The Dadar Parsi Colony is known to have some of the most expansive residential buildings in the city.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
