Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Bhayander West. Bhayandar West is a densely populated locality of the city of Mira Bhayandar. It falls under the Thane district of the State of Maharashtra. It is surrounded by the localities of Uttan, Mira Road and Sanjay Gandhi National Park. Bhayandar West is separated from the East by the Mumbai Suburban Railway line which connects it to Mumbai city. Bhayandar West comprises of several affordable housing projects and has a budding social, commercial, and physical infrastructure. The locality of Bhayandar has seen tremendous economic growth in the last two decades owing to a vast number of manufacturing units being set up in the East. The availability of cheap affordable housing solutions has made it all the more attractive for families from nearby localities and towns. The area comprises of mainly Hindus and Muslims and a small minority of other communities. The local languages spoken include Hindi and Gujarati.

Post Office	Police Station	Municipal Ward
Mira Road	Kanikya	NA

Neighborhood & Surroundings

The locality is semi cosmopolitan. A few communities and professions dominate the area. The locality is not prone to traffic jams. The air pollution levels are 400 AQI

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.

Category	Score
